Every year, dozens of groups throughout Indiana take part in competing in the Indiana Percussion Association. Through this circuit, many opportunities come for students to take advantage of that contributes to success later on in life. North Harrison High School has a rich history in this circuit, and we want you to join us for this upcoming season!

This year, we have over twenty students participating in the program, and we have a world class staff designing the show. To provide instruments for all of the students, and to afford the design team, we need to raise a significant amount of money, and we are asking for your help.

Numerous things are used for fundraising, and we're trying a few new strategies this season. One of those strategies is sponsorships. We have four different packets that will allow anyone to support the students in the North Harrison Winter Percussion Ensemble.

Individual Packet: For a total of \$10, an area on the back of the show t-shirts can be purchased. This spot will be perfect for family and friends to support particular students (Ex: Go Amanda!!!).

Bronze Packet: For a total of \$50, an area the size of a business card can be purchased on front of the pit crew t-shirts. For the parents and students that accompany the ensemble to help unload vehicles and move equipment on and off the floor, they will be wearing these advertisements. Hundreds of people will see these over the course of the next six months, and it will be a great opportunity to show your support for the ensemble.

Silver Packet: For a total of \$75, the same size spot on the pit crew t-shirt will be purchased. Also, an ad will be placed in our winter program for the winter show we're hosting in early February. The advertisement will be ½ of a page. Groups from all over Ohio, Kentucky, and Indiana will be at the show and come into contact with your advertisement, along with many friends and family of local groups competing.

Gold Packet: For a total of \$100, both an advertisement on the t-shirt and in the winter program will be provided. Instead of ½ of a page, a full page advertisement will be placed. Along with the silver packet, an advertisement will also be placed on all websites discussing the winter percussion program (including both the band website and the facebook page) for the next year.

Any of the aforementioned packets is the perfect way to show your support for the students and staff involved in the North Harrison Winter Percussion Ensemble. We thank you so much for your support; this program couldn't work without you!
