We find one of the most important days of the year quickly approaching for our winter season. We have IPA State Prelims on Saturday, which is a qualifying round for State Finals. We'll see all 19 groups in our class, so we better be ready to play on Saturday! We have a different rehearsal time Friday, due to gym complications (which I'll explain in the next update). We'll load Friday night, and have a long day Saturday. \$15 or so will be needed for food. It'll be another long day, but it should be another success!
